**PLEASE ACCEPT THIS AS A NOTICE TO INFORM YOU, as a property owner, tenant or interested citizen, that the Council of The City of San Diego, California will conduct a public hearing, as part of a scheduled City Council meeting, on the following project:**

The University Community Plan Amendment, consisting of updating and amending the University Community Plan.

The City of San Diego as Lead Agency under CEQA has prepared and completed a comprehensive Program Environmental Impact Report to analyze impacts associated with the project and associated discretionary actions in accordance with Section 15164 of the State of California Environmental Quality Act (CEQA) Guidelines. The final PEIR and associated technical appendices have been placed on the City of San Diego website: <https://www.sandiego.gov/planning/programs/ceqa>

The University Community Plan Amendment would update the UCP Transportation Element based upon analysis which incorporates planned transportation projects identified in the 1987 UCP that have since been completed; the Caltrans North Coast Corridor Project, the Mid-coast Corridor Project, and UC San Diego Circulation Improvements; and evaluate the need for the remaining uncompleted transportation projects, including but not limited to the Genesee Avenue Widening and Regents Road Bridge projects.

**The decision of the City Council is final.**
